

YOUR GATEWAY TO EXCEPTIONAL TALENT

Connecting Brilliance with Opportunity

INTRODUCTION

- Established in 2012, Soshace has dedicated itself to bridging the gap between outstanding talent and remarkable companies. Our commitment to excellence, coupled with an expansive understanding of the IT recruitment domain, has propelled us to the forefront of the recruiting services industry.

● We are a community of pre-screened professionals.

- In the landscape of technological innovation and rapid development, Soshace stands out as a beacon for companies seeking top-tier IT professionals and candidates aspiring to elevate their careers in the tech industry.

● Our team of developers has delivered a diverse range of projects for clients worldwide.

A GLOBAL REACH

- Soshace operates a high-traffic website that draws attention from across the globe, including the United States, Canada, Singapore, the United Kingdom, Korea, the United Arab Emirates, and Hong Kong.

● Soshace.com has a strong ahref.com DR score and AR ranking.

- This wide-reaching influence ensures that we have access to a diverse and extensive pool of candidates and companies, fostering connections that transcend geographical boundaries.

● Gain direct access to a meticulously curated pool of top-tier IT professionals. From software developers to project managers, our candidates are vetted through rigorous processes.

EXCEPTIONAL TALENT

- Soshace has an in-house database of over 70,000 candidates, encompassing a wide range of skills, experiences, and specialties in the IT sector.

Explore Soshace's Extensive Network: Tap into a vast pool of skilled IT experts.

Whether you're looking for a blockchain visionary, a machine learning expert, or a development prodigy, our professional catalog will meet and exceed your requirements.

Immediate Access to IT Talent: Quickly match the ideal professionals for your projects with Soshace's expansive database.

AI-ASSISTED RECOMMENDATIONS

Leveraging the latest in artificial intelligence, Soshace offers AI-powered recommendations to streamline the matching process between companies and candidates.

Our sophisticated algorithms analyze myriad parameters to ensure compatibility, efficiency, and satisfaction on both ends.

This tech-driven approach allows us to identify the perfect matches, significantly reducing the time to hire and increasing the success rate of placements.

WHY CHOOSE SOSHACE?

- A Global Talent Network: Access to a vast pool of pre-vetted candidates from around the world.
